Holy Spirit Parish Assembly - Sunday 6 March after 9:30am Mass

To help focus our thoughts during the assembly, we would like you to think about parish life... We need to reflect on where we, as a community, would like to be in the future. To help us focus our goals please consider the following questions:

What is it about our parish that you would like to **KEEP**?

What is it about our parish that you would like to **TRY**?

What is it about our parish that you would like to **CHANGE**?

Reflect on those aspects of parish life which you hold dearly - what you like about our parish.

New ideas, even dreams you would like to be a part of.

Perhaps there is something we have been doing for a long time and you feel it needs refreshing.

Please return to the **Mother Teresa Office** no later than 27 February ..... or earlier if you can!!!
